

So simple and so tasty side salad!

Ingredients:

2 medium peppers (red, yellow or orange)

1/3 fresh medium cabbage

1 can of corn

2 tbsp. mayonaisse

salt and pepper to taste

Directions:

Wash, drain and shred the cabbage. Slice the peppers thinly, then cut the slices into 2cm pieces. Put cabbage and peppers into a large bowl. Add corn and combine all with salt, pepper and mayo. Put into fridge. Give yourself some flexibility- if you do not like corn that much, add less. Too little peppers-add more (:

Enjoy! Smacznego!
